REVISOR'S NOTE: This section presently appears as Art. 66 1/2, §6-110.2.

In subsection (a) of this section, the current title "Social Services Administration" is substituted for "State Department of Social Services" to conform with the changes made by Ch. 96, Acts of 1970.

Subsection (b) (1) of this section is revised to clarify that the examination is for vision only.

Subsection (c) (1) of this section is new language added for clarity and to conform to the similar provisions appearing in §§16-118(d) and 16-119(d).

Subsection (c) (2) of this section is revised to prohibit any other use, not merely use for "commercial or political purpose"; this would appear to have been the intent of the source law and conforms to the similar provisions in §§16-118(d) and 16-119(d).

The only other changes are in style.
